A WORD OF ACKNOWLEDGEMENT FROM THE SECRETARY

It is my pleasure to extend a heartfelt thank to the almighty Lord for His continuous blessings to serve the people through SAHANUBHUTI in this year too. Though the year experienced with lots of struggle and hurdles still some of our activities had been brought a great impact among the people for whom we are committed. I also extend my gratitude to all staffs for their sincere and committed work. My obligation goes to the people of our operational area, for their co-operation, involvement, participation and support in implementing different programmes. I thank to our executive body, general body, consultants and local administration for their advise, guidance, support and encouragement. I am much grateful to the funders, donors and all well wishers for their timely support in making changes in the lives of the people of our operational area.

SAHANUBHUTI wishes all its associates a bright prosperous and peaceful future ahead of them.

*Mr. Dilip Sobhasundar
Secretary-cum-Director*

HOMAGE

(10.01.1951 – 07.06.2006)

Late Rev.Fr. Isaac ,

Founder of Sahanubhuti

(05. 09.1963- 19.10.2014)

Late Sr. Victoria

Former Dispensary & Hostel In-charge

We the family members of SAHANUBHUTI pay our homage to the soul of Late Rev.Fr. Isaac , the founder of SAHANUBHUTI and Late Sr. Victoria , former hostel and dispensary in-charge of the organization during publication of this annual report-2015-16. Their dedication and ceaseless effort has been guiding and inspiring us to render our service to the poor and marginalized people faithfully through their initiated organization SAHANUBHUTI.

May the Almighty Lord rest their living soul in peace forever.

Family members of SAHANUHUTI.

INTRODUCTION

HISTORY OF THE ORGANIZATION: SAHANUBHUTI, a philanthropic voluntary organization initiated its activities in the tribal district of Mayurbhanj ,Odisha in its early days. The activities like women's skill development and agriculture development were given importance during the period and the aim of the organization was then to improve the socio-economic situation of most marginalized communities .But after registered the organization in the year 1989, it extended its area of operation to Kandhamal, Gajapati and Ganjam district of Odisha and till date addressing the versatile issues such as health, education, livelihood, women , peace building and human rights.

SAHANUBHUTI in its long year's presence with the community has very much aware about the situations and needs of the people and has been taking effort to help people to help themselves. This year, it has implemented very few activities in its operational area. However, the organization is in its continuous whole hearted effort, commitment and zealous dedication in the service of people which has led to establish its own identity and recognition in its target area and longing to serve the people till to achieve a transformational change in marginalized community.

OUR VISION

Creation of just society of human beings living with respect and free of exploitation.

OUR MISSION

Promoting holistic and sustainable development of people and their surroundings.

OUR CORE PRINCIPLES:

It is a non-political, non-profiting but democratically managed organization.

OUR CORE VALUES

- We lead a life of simplicity, truth, honesty and communal harmony.
- Committed to uplift the dalits, tribals, women and the marginalized people.
- We value the dignity of an individual.
- We value responsibility, accountability and transparency.
- We value equality, equity, fraternity and solidarity.

OUR BELIEF:

Transformation: Individuals and communities can be transformed when they realize their inner potentialities, freedom and human values and address them to bring about spiritual, social, economic and physical changes.

Empowerment: Development directly correlates to the extent that local communities, leaders, and individuals are empowered to effect change.

Sustainability: Creating locally sustainable programs is crucial to achieving a lasting impact.

Collaboration: Partnering with the local community, other like-minded organizations and individuals demonstrates the means of development.

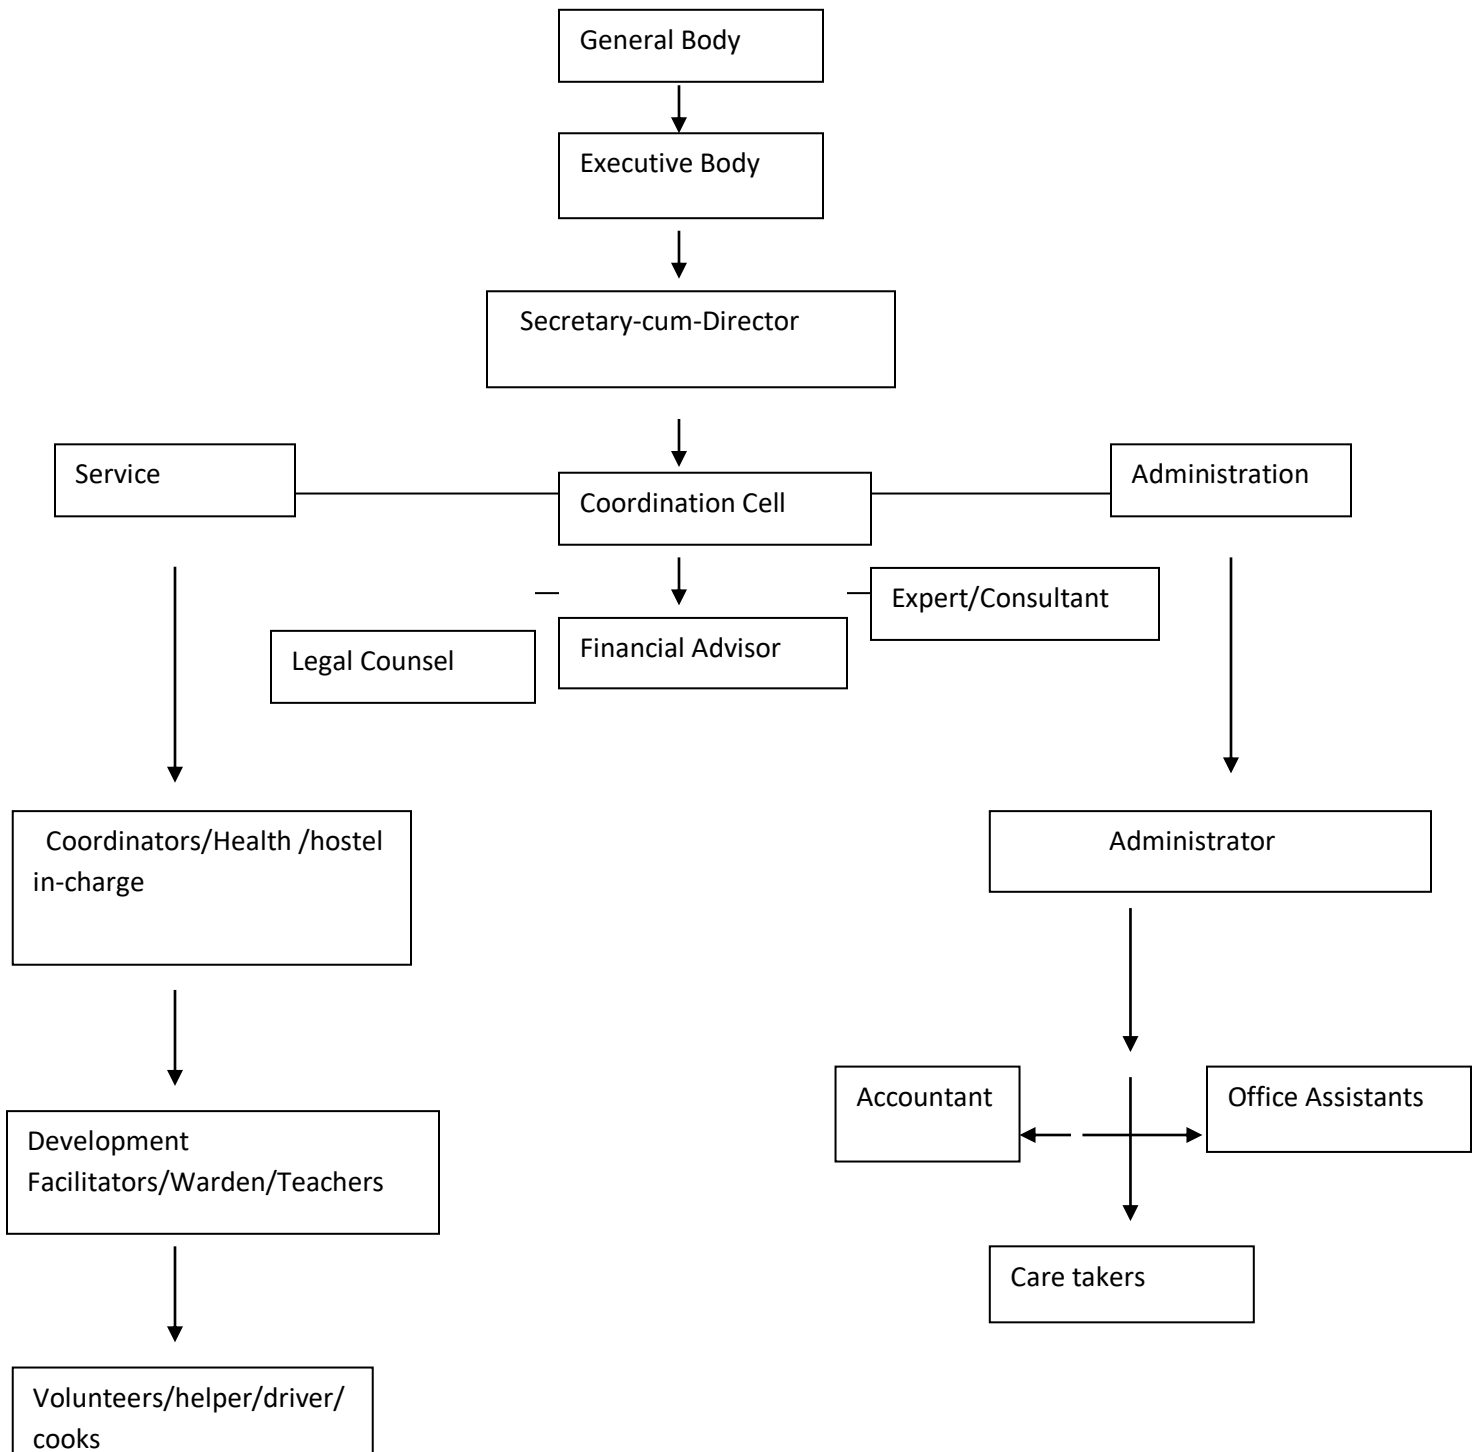

LEGAL STATUS:

- The society has been registered under **SRA of 1860** vide no.MBJ 2462-68 OF 1989-1990 dt. 30th August 1989 having **FCRA** of 1976 on dt.17th August 2004 under Ministry of Home affairs, Govt. of India, New Delhi.
- It has also registered under **12 A** for tax exemption bearing no. 102-2005-06 dated on 31.5.2006 & **80G** certificates bearing No.153/08-09/2009-10/2066-69, Dated 25th June 2009 for the year 2009, 2010, and 2011 and also having **PAN-AABAS6475M** and **TAN-BBNSO4427D**.

7.	Mr.MonojPosupalk	Financial consultant, having 16 years of experience.

CORE ACTIVITIES OF THE YEAR

CHILDREN'S HOME PROGRAMME:

Education, which is the main aspect of development of a human being , is one of the main concerns in the operational area of

SAHANUBHTUI, and therefore the organization works on the issue since its inception. Due to poverty, lack of knowledge of people on value of education, lack of teachers and infrastructures and many more reasons, most of the schools in the villages do not function properly as a result, children's education hampers a lot. Especially girl's education hampers very much due to various reasons in the rural areas. And therefore SAHANUBHTUI has been running the HOME since last 16 years for providing integral education to the dalit, tribal and orphan children. However, the HOME is registered under JJAct in this year .

This home has been a source of education for the poor children where children are freely accommodated and their educational progress is greatly taken care of. Last year there were 80 girls inmates in the hostel from 2nd standard to 12th standard. Time schedule has been maintained in the home which helps children to learn

about their punctuality, sincerity and other good things. Besides school teachings, they have been provided with special classes on morality, spirituality and etiquette and some vocational teaching classes. Last year, there were 12 numbers of 10th class students out of which all passed in the exam and 2 of them stood grade B. Similarly there were 12 intermediate students and all of them have passed the board exam. Really we are very proud of the students as well as the superintended and other staff of the hostel for their sincere guiding and managing the hostel well.

COTS & TOILETS SUPPORT PROGRAMME:

Since from inception of the children's home, the children had no privilege to sleep in the cots and use toilets .It was a great problem for the girl children of the home. After

continuous request a generous family from USA

had supported for cots and construction of toilets for the children in the year. There were 40 cots with mattress and 10 group toilets were constructed out of the support

amount for the children's of the home. For the first time the children of the home were able to got opportunity to sleep in the cot and mattress in the home and able to use the toilets .Really a great problem of the children have solved this year.

COMPUTER TRAINING PROGRAMME:

The organization has started providing computer training to the children of CHILDREN'S HOME as well as outside students. It was a great opportunity for the students of the area to learn the computer as there was no such institution available in the area. There are eight set of computer supported by CHF , Mumbai .

The programme had started from 1st June and 25 students had joined the course, but 14 of

them have completed the course and are about to receive the certificate. The team from CHF, Mumbai and Bhubaneswar had inaugurated the centre on 12th of May 2015. Looking to the school and college time table, students were attending the class every day morning before school and colleges starts. We are hopeful that this year more

students will join and get benefit from the computer training centre.

HEALTH SCREENING PROGRAMME :

SAHANUBHUTI had organized one day health screening programme at Children's home for all children where doctors and medical students from Love the One , Berhamur freely extended the service .The one day programme on 24th of April 2015 was very much helpful to the children of the children's home as thorough check up had made to each child and required investigation and

medicines were provided to the children in free of cost. Thus around 12 members of medical staff from the LTO including Dr. Mary and Dr. Cat , the directors of Love The One, Berhampur joined in the programme.We are much grateful to them for their service to the poor children of the children's home.Around 85 girls were got free health

screening in the year by them.

CONSTRUCTION OF HEALTH CENTRE:

Looking to the need of the people of the area, a 12 bedded hospital has been constructed at Bamunigoan of Kandhamal district this year . The main motto of the health centre is to provide health service round the clock to the people of the area. The health centre is consisting of health check up room, doctor's rest room, laboratory room, operation room, medicine distribution room, and

baby ward, male and female ward with toilets. The basic medical instruments and medicines are available in the health centre in order to provide better service to the people of the area. However, there is no salary support of the medical staff at present and we are looking for it. We are hopeful the health centre will fulfill its objectives and saves the lives of the poor and needy people of the area in coming days with the support of some generous donors.

V4 SUB CENTRE MANAGEMENT PROGRAMME:

Since last four years, the organization is implementing the programme in two sub centers named Saramuli and Sonepur sub centre of Daringbadi block supported by District Health Mission under NRHM of Ministry of Family

and welfare dept.

The main objective of the programme is to reduce and minimize the IMR and MMR. To achieve this objective the organization has been conducted various activities such as maternal health activities, Home visit by Asha and ANM, Community mobilization, educative session, Referral support,, mentor support , health interface ,adolescent programme etc. activities. The trained ANM are placed in each sub centers and two community facilitator who helped them in ANMS ,Anganwadi workers , PHC or CHC staff help in implementing the programme. The community especially the pregnant women, delivery mothers, children age of one year, adolescents girls, eligible couple are the direct beneficiaries of this programme. The programme usually implements with the cooperation of

community based organizations such as SHGs, PRI members and GKS. The people are really get much benefit out of this programme.

PEACE BUILDING AND CONFLICT TRANSFORMATION PROGRAMME:

The programme implements since last three years, in Adava GP of Mohona block of Gajapati district. Soon after the riots of 2007-08, the state of Odisha especially Kandhamal district and its adjacent district became sensitive area. The people of

these area had lost their trust and faith upon the co-communities who were living with them since generation. Day by day different conflict has been arisen among them. Looking to build the peace and transform the conflict, the organization is implementing the programme with the support of Misserior and the partnership of SWAD, diocesan social wing of Berhampur dioceses along with other 10 civil society organization in two districts.

In this programme, VPDC(Village peace development committee), GPDC(Gram Panchayat Peace Development committee) have formed in all 5 villages, many conflicts related land, water, domestic violence have been resolved and some community development activities were conducted . This programme is really very challenging programme but it has been implemented carefully with the cooperation of both communities in each village.

NATIONAL ENVIRONMENT AWARENESS CAMPAIGN :

This year SAHANUBHUTI has taken effort to implement in five villages of Balipada GP of Kukudakhandi block of Ganjam district. The main theme of the campaign was to treatment of dry land. The organization had conducted the programme in Kumbhajhari village where a workshop was organized

and rally was organized and traditional plants were

distributed and planted and vermin compost pits were prepared and taught the people to practice. The people including school children from five villages of the GP were took part in the events. It was great success as people are able to understand various techniques to treat the land and using vermin culture and various traditional plants to develop the land for cultivation.

NETWORKING:

- It is a member of district action group of Kandhamal and Ganjam district in district level.
- It is a member of Peace Building network in state level.

- It is a member of ACTION ASIA in International level.

OUR DONORS/SUPPORTERS:

- ❖ Miserior, German through SWAD.
- ❖ Family and children welfare dept., Govt. of Odisha.
- ❖ Plan India through PREM, Berhampur, Orissa.
- ❖ Department of Environment Govt. of India.
- ❖ Donation from Individuals and groups

CONCLUSION:

SAHANUBHUTI is constantly working for the sustainable development of its target communities which its main vision and mission. Though it provides it service in small way but there was a good impact in the lives of the community. The organization is also receive good cooperation, participation and active involvement of the people in each and every activity of the organization as a result the organization could realize its activities successfully. The organization will be with the community as long as it does not achieve its vision and mission.
